

BEESTON IMPLEMENT SALE REPORT

For

Wright Manley

Wednesday 3rd February 2010

The sale day was cool and dry much better than the previous month with all that snow. Trade was certainly very brisk throughout for all items in the sale from New & Used Timber out side to the New & Used power tools inside. As usual a large crowd descended upon the monthly sale looking for items to purchase. A Below is a brief impression of what items realised at the sale:

We advertise in the Farmers Guardian each month, if you have any items that you would like to promote for the next sale please do not hesitate to contact Alastair Brown 07831 395167 / 01829 262100.
