TESCO MILK CONTRACT SUPPLIERS

We are aware you have been recently sent a letter concerning Calf Exports.

We will announce at the time of sale calves as “NOT ELIGIBLE FOR EXPORT” if you mark on the Orange Entry Card accordingly.

ORANGE CARDS MUST BE COMPLETED BY ALL VENDORS EACH WEEK INCLUDING NAMED SIRES FOR ANGUS & HEREFORD CALVES

There is a **NEW FOOD CHAIN INFORMATION FORM** which needs **COMPLETING** and **SIGNING** with each batch of calves that could go for **PROCESSING**. This is a Declaration about whether any calf has been injected if so with what **DRUG** and when the withdrawal period finishes. Copies are available from the Market Office. This is particularly relevant to Holstein, Ayrshire, Jersey, Brown Swiss and Swedish Red Bulls, Holstein Free Martin Heifers and very small crossbreds

Calves between seven and nine days old are subject to transport restrictions. Only buyers from within forty miles can buy them. Ideally sell your calves at least ten days old.

Remember calves over 42 days from one or two year T.B. Status Farms will need a T.B. Test and then sold with a Vet Certificate which is valid for sixty days. Ideally sell your calves under 40 days old.

Friday 17th June the 42 day old calf will have been born on 7th May 2011
