## TESCO MILK CONTRACT SUPPLIERS

We are aware you have been recently sent a letter concerning Calf Exports.

We will announce at the time of sale calves as “NOT ELIGIBLE FOR EXPORT” if you mark on the Orange Entry Card accordingly.

### ORANGE CARDS MUST BE COMPLETED BY ALL VENDORS EACH WEEK INCLUDING NAMED SIRES FOR ANGUS & HEREFORD CALVES

There is a **NEW FOOD CHAIN INFORMATION FORM** which needs **COMPLETING** and **SIGNING** with each batch of calves that could go for **PROCESSING**. This is particularly relevant to Holstein, Ayrshire, Jersey, Brown Swiss and Swedish Red Bulls, Holstein Free Martin Heifers and very small crossbreds

Calves between seven and nine days old are subject to transport restrictions. Only buyers from within forty miles can buy them. Ideally sell your calves at least ten days old. ## 175 CULL COWS & OTM

Direct Telephone number 01829 262103  
Every Friday at approximately 10.00am

**OVERALL 175 Entered topping at 173.5p / £1,162.80**  
**Averaging 114.3p**

30 more cattle to sell this week compared to last week, and trade still has seen no change, though the average has fallen considerably compared to last week, that is completely to do with the quality and types forward. The best Black & White cows topped at 140p or now over £1100, we were surprised to see them above £1000 not so long ago, so still a real fight for meat even some of the plainer cows which looked little money starting at 49p for a 245kg Jersey (*I had more meat on my cheese sandwich compared to her*). **BUT** she would cost more to process than what she realised!! Please keep the cattle coming let us know of your entries so that we can market your cattle to their best ability, things will change it always does..

Even the stock bulls are realising £1100+ and not even big weights

# BEEF CATTLE

**EVERY FRIDAY AT  
approximately 12 Noon**

**Prices peaked at 203.0p or £1,332.45**

**37** Even BEESTON can top the £2 a kilo figure, with the right goods more and more buyers enquiring about buying out of Beeston, but the quality or quantity isn't there to fetch them, if you have some to sell why not try us. This week again markets dictating prices compared to the deadweight figures, it is incredible that there are not more cattle in the auctions. This is a clear indication that under this short fall of cattle numbers, cattle should be sold liveweight and this would give a more realistic value to your cattle on a quality basis. Sell in markets while there is a current shortfall of numbers and force the trade to its maximum.

BEESTON A trade as good as anywhere, don't travel for an extra penny!

**PAYMENT IS AVAILABLE ON THE DAY.**

## SALE REPORTS

### MID MONTH DAIRY SALE ON FIRE!

The August Mid Month Sale of Pedigree Commercial Dairy cattle attracted an entry in excess of 230 head at its recent auction at Beeston Castle. Trade was on fire from start to finish with only two animals failing to find a new home. In fact many (both vendors and purchasers) commented that they have never seen dairy cattle as expensive which is no doubt mainly driven by the shortage of numbers on the market.

No less than twenty six animals smashed through the £2000 mark selling to a top of £2700 with seven cattle making £2300 or more. The top five were purchased by regular clients D & H E Colclough & Son of Hassall, Sandbach and the top three were all consigned by regular clients Mark and Anne Bowden of Malpas. The top seller was Womack Minister Daffodil, a July 09 daughter of Mr. Minister sold giving 30 kg. a day. At £2650 they sold Hollowmoor Baxter Sally, a March 09 daughter of Emerald Acres SA Baxter giving 36 kg and at £2550 the April 09 Mr. Sam daughter, Joylan Sam Audrey sold giving 29 kg.

John Cawston of Bungay, Suffolk consigned Poringland Florence 15<sup>th</sup>, an October 08 daughter of Sandy Valley Bolton; she sold for £2500 giving 37 kg. daily and the final member of the top five was an unregistered second calf cow sired by Cogent Classic consigned by Terry Goldstraw of Audlem that had given over 8500 kg as a heifer and she sold for £2350.

Two heifers made £2300 each; the first was Fornside Melody Daydream from Howard Walmsley of Preston, a daughter of Moet Melody purchased by Peter Howard of Darnhall, Winsford and at the same price was an unregistered heifer by Painley Knighthood consigned by Hollington Farms of Essex purchased by RJ & DJ Clement of Stoke-on-Trent.

At £2280 Wilmot Blockley of Tarvin purchasand topped at £42ed Bannistree Glory Daisymay 114<sup>th</sup>, a daughter of Overside Dictator from D & E Monk of Ormskirk and at £2260 Wick Williams secured the home bred Kendall daughter, Burnbrae Kendall Mars from Jack and Barclay Taylor of Myddle, Shrewsbury. The Taylor's also sold their Burnbrae Rampage Susie for £2250 to the Colcloughs. At the same price the Bowdens sold Holbeck Wisconsin Herma to Peter Howard.

There were no in-calf heifers forward this month but there were two very nice groups of yearlings and stirks consigned by John Pogson of Newark and Grosvenor Farms Chester. The yearlings from John Pogson sold to £920 for Yeoman Velvet Mary 107<sup>th</sup>, an October 10 daughter of Heather Holme Velvet and the stirks from Grosvenor Farms sold to £850 for the four month old Grosvenor H Supersonic Jo by Dalbytop Supersonic.

A very nice consignment of 27 heifer calves sold very well and topped at £420 twice both for six week old calves consigned by Tollemache Farms of Beeston and The Clayton Partnership of Malpas.

### AVERAGES:

**173 Cows and Milking Heifers (All Breeds) £1547.93; 32 Yearling and Stirks Heifers £676.33; 27 Heifer Calves £360.00.**

### BRILLIANT DAY FOR ABBOTSLEY JERSEYS TOP OF 2400 GNS

The Dispersal of the entire milking portion of the Abbotsley Herd of Jerseys together with autumn calving heifers and all heifer calves born this year took place at Whitehall Bank Farm, Draycott-in-the-Clay, Sudbury, Derbyshire on Thursday, 11th August on behalf of Roy and Christine Bailey, who are two of the nicest people one can meet in the Jersey breed following their decision to stop milking. A huge crowd was in attendance with thirty five different buyers being recorded. They travelled from all over from South West Scotland in the north to Cornwall in the south as well as Devon, Somerset, Buckinghamshire, Carmarthenshire, Ceredigion, Powys, North and South Yorkshire as well as a great number from the locality. Three animals have also been sold for export to Northern Ireland and sixteen to Southern Ireland.

The herd followed an all year round calving pattern and was full of quality cattle in all age groups and there was great demand for all age groups too. The first cow in the ring, the ten year old eighth calver Abbotsley Rockys Dodo (Ex91-3E) got the sale off to a great start selling for 920 gns and she was one of sixteen head purchased by Dallyns Dairy Ltd of Barnstaple, Devon. Trade continued to be brisk with plenty of bidding throughout the sale.

A total of four animals broke the 2000 gns mark and sold to a top of 2400 gns. The top seller was the fresh second calver Abbotsley Sambo Goldie (VG86-3yr), a daughter of Lester Sambo off an EX91 daughter of Classic Rochette Invincibull. She sold in a joint deal between Richard Saxby of Long Preston, Skipton and John Dickinson of Scaftworth, Doncaster. Not far behind was another Sambo daughter, the fresh third calver Abbotsley Sambos Opal (Ex91-4yr) whose dam was Abbotsley Boys Opal (EX93-3E) a former Champion and Burke Trophy winner at the RASE Show. She sold for 2380 gns S & S Murray (Farms) Ltd of Wolverhampton. Sambo daughters continued to dominate the top prices when the fresh second calf Abbotsley Sambos Melanie (VG87-3yr) sold for 2100 gns to GAG Evans & Son of Guilsfield, Welshpool.

The only other to animal to make 2000 gns was the outstanding in-calf heifer Abbotsley Liberations Galaxy, a daughter of Raughton Liberation out of a (VG87) Sambo dam. She now joins the herd of S & S Murray Farms. Calves were a great trade and sold to a top of 1350 gns for the beautiful January born calf Abbotsley Charmers Jojo; this potential show calf is a daughter of Classic F O G Charmer out of a VG87 dam by Abbotsley Zebres Rocky and was purchased by Sally Parfitt of Wells, Somerset who also acquired the fourth calf Abbotsley Aims Anita (Ex91-4yr) for 1900 gns

### AVERAGES:

**108 Cows and Milking Heifers £1145.18 (including 28 Heifer Calves at £478.50); 14 In-calf Heifers £1065.00; 124 HEAD £1126.12.**
