## 218 CULL COWS & OTM

Direct Telephone number 01829 262103  
Every Friday at approximately 10.00am

**OVERALL 251 Entered topping at 167.0p / £1,468.10**

**Averaging 115.7p**  
(Last Year's average was 92.6p)

The entry was up by 15% with trade up 3½p and probably dearer than that with the lack of quality this week. Many good cows this week had plenty of belly leading to a lower killing out percentage. These cows are much better sold live weight over the scales.

Best cows sold to 138.0p, Steaking cows saw prices from 105p – 124p and the very worst from 64p – 97p. Please contact our office with your entries so that we can market your cows to your best advantage.

Please clearly put on the entry card your farm assurance sticker and also in the passport marked with an “ X ” next to your off movement (as shown Below)

# BEEF CATTLE

**EVERY FRIDAY AT approximately 12noon**  
**Prices peaked at 184.0p or £1312.25**

**39** A FANTASTIC TRADE for the quality forward but Beeston doesn't seem to get the credit for the types that are sold. Prospective vendors just seem to look at the average not at the quality.

Pre Christmas ¾ bred continental heifers broke the £2 barrier on numerous occasions keeping in line with all other outlets. The Holstein x Beef cattle that are predominant here decreases the overall average.

Buyers source cattle from Beeston for the Monday morning kill not many markets can boast that. *If you have any please do not hesitate to contact us with your entries, we would be pleased to increase the entries at Beeston to attract further customers and you may be surprised by the service and the prices achieved?*

**PAYMENT IS AVAILABLE ON THE DAY.**

## STORE CATTLE

### Every Friday

(To commence after the sale of the beef approximately 12.30pm)

**(103)** Numbers building up here at Beeston. Nearly as many cattle as people standing round the ring, an abundance of bidders, buyers and potential customers poised ready to buy some cattle. Entries predominately mainly made up of younger 12-18mo cattle therefore none of the £1000 cattle forward making the trade look impressive. Steers still sold to £350+ over their weight with a long time before they will be finished.

SFP burning a hole in the buyers pockets. Don't leave it too late to market your cattle. There is plenty of grass in the fields which is also adding to the confidence of buying cattle. If we do have a cold snap or a lot of rain will it put off the buyers till later on.

**VENDORS – CAN YOU VALUE THEM? If you sell to traders off the farm are you getting the right price? We have a packed ring of buyers desperately wanting cattle there couldn't be a better place to have your cattle properly valued than in the market.**

### SALE REPORT

#### TRADE KEEPS HOT AT BEESTON MID MONTH 41 OVER £2000, 7 OVER £2500 AND UP TO £2600

The Mid Month Sale continues to attract large entries of pedigree and commercial fresh calved dairy cattle of all breeds and classes and is indeed the largest sale of its kind in the country. Large entries therefore attract buyers in big numbers and this was indeed the case at the last sale; cattle were distributed all over the country from Scotland to Kent, from Carlisle to Somerset and from Aberystwyth to Oxford as well as most places in between.

Two animals realised the two price of £2600 and both were purchased by regular customers, D & HE Colclough & Son of Hassall, Sandbach. The first at this figure was Wintersell Anita 22nd consigned by Gordon Reynolds of Cranbrook, Kent; this daughter of Alpag Iron Active was sold giving 31 kg having calved on Christmas Day. The second at £2600 was the homebred Wigland Spirte Rose from Mark and Ann Bowden of Malpas; this daughter of Cedarwal Spirte was sold giving 30 kg.

The same vendor/buyer match of Bowden and Colclough were responsible for the top selling cow, Limpsfield Modesto Comedy, a second calf daughter of Sikkema Star W Modesto, giving 40 kg and selling for £2550. The next highest priced cow was another second calver from D & E Monk of Ormskirk who sold a daughter of Drake for £2220 to B & M Elkin of Stone.

Back to the heifers - Gordon Reynolds was in the money again with two more of the leading priced animals; Wintersell Ena 765th by Markwell Braveheart sold for £2550 and Wintersell Leona 355th by Huddleston Spooky sold for £2500, both going to David Guy of Kinderton, Middlewich.

Two other heifers made £2500 each; the first was Irthingvale Martian Princess by Denmire Martian from Graham and Barbara Bell of Ridley, Tarporley sold to Anthony Mathews of Alkington, Whitchurch and Wigland Baroque Jane by Magor Baroque Allen from Mark and Ann Bowden selling to the Colcloughs.

Jack and Barclay Taylot of Myddle, Shrewsbury sold two heifers at £2400 each; the first being Ketteringham Matson Gaylass selling to David Guy and the second being an unregistered heifer selling to the Colclough's. The final leading

lot was Burbank Raindance Maria, a daughter of Ards Raindance from David Burgess of Saughall, Chester, which sold for £2300 to the Colclough's

It wasn't only the black and whites that were a good trade, but also the Coloured Breeds. These were topped at £2000 for a Shorthorn heifer by Attwell Atom from Graham Madeley of Telford that sold to Messrs Malkin of Stone and was closely followed by a Brown Swiss heifer from Farrick Farms of Preston sired by Etvei selling to Messrs Jerman, Welshpool. Jerseys topped at £1250 for a fresh heifer from David Jones of Ormskirk with two others at £1200 each from Judith Waring, Beverley and Andrew Woodmansey, Beverley respectively.

Trade was good for all categories and this continued into the sale of in-calf heifers and young stock; the top price incalf heifer was Deehaven Baroque Erland, a daughter of Magor Baroque Allen from David Ishmael of Orrell, Wigan.

This heifer was due in February to Woodmarsh Topshot (sexed semen) and sold for £2050 to G A G Evans & Son of Guilsfield, Welshpool. Another from the same home by Ladys Manor Montague sold for £2000. Recently Served heifer from AM Yardley of Stafford sold to £1380.

Maiden Heifers were a really good trade and were totally made up of heifers between four and 12 months. The top price was £920 for Wimboldsley Million Lace, a six month old daughter Million from J R Edge, Middlewich and then there were two January born daughters of Bolivia Allen and Mr. Minister from John Allen of Tutbury at £880 each Heifer calves continue to be a great trade and were headed by two pedigree calves by Cogent Loader from Lees Dairy Farmers of Market Drayton selling at £510 and £500

#### **AVERAGES (ALL BREEDS TOGETHER):**

**45 Registered Cows £1531.44; 20 Unregistered Cows £1501.00; 98 Registered Calved Heifers £1814.80; 23 Unregistered Calved Heifers £1574.35; 186 MILKING CATTLE £1688.01; 15 In-calf Heifers £1642.00; 4 Served Heifers £1165.00; 15 Maiden Heifers £710.00 15 Heifer Calves £320.56. 1 Angus Bull £1750.00**
