Continental: Richard Goodwin & Stuart Hassall  
Weanlings: Andrew Wallace

Sale Times: Native Breeds 8.00 am

Weaned Calves 2 – 7 Months approx 11.00 am

According to Weanling Entries

A big drop in NUMBERS this week partly due to passport delays from BCMS and the six day rule following two large Dairy cattle sales on Tuesday and Thursday. It is hoped we will have 450 to 500 next Friday.

TRADE WAS MIXED with thirty seven Buyers being more selective in type to buy and price. Some Continental Bulls were less money while best Heifers were an EXCELLENT TRADE. Black and White Bulls with shape DEARER. **Thank you for your custom.**

Early Delivery from 6.30 am always appreciated. If you are short of Labour and do not finish milking until 9.00 am you can still bring your calves in until 10.30 am.

**ORANGE CARDS MUST BE COMPLETED BY ALL VENDORS EACH WEEK TOGETHER WITH THE FOOD CHAIN FORM FOR CALVES INJECTED. ALSO NAMED SIRES FOR ANGUS & HEREFORD CALVES**

This Friday 20<sup>th</sup> November the 42 day old calf will have been born on 10<sup>th</sup> October.

**Continental (126)** Overall average £234.55

A big shortfall in numbers this week. Best Bulls sold to £352 for a super sixteen day old Limousin from Brian Griffiths, Marchwiel and best Heifers also made to £352 for a cracking British Blue from S.J. Walker and Jemma Hargreaves. Some Bulls would be £20 to £30 back on last week. Better Heifers a “good price”.

### **Native Crossbreds (64)**

A good number of Angus crosses peaked at £281 for an eighteen day old from L.F. Horton & Sons and met good demand. Angus Heifers a firm but not silly trade. Very few Herefords but TRADE GOOD with Heifers to £208 and Bulls to £242 for a mixed quality offering. NAMED SIRES ON THE ENTRY CARD PLEASE – Some Buyers pay a PREMIUM for calves sired by a NAMED BULL.

### **42 Aberdeen Angus x**

**175 Black and White Bulls overall average £66.19**  
 EXTRA BUYERS and an UPLIFT IN PRICE particularly for **stronger “shapely” calves**. Several smaller Bulls with potential needed another seven to ten days on the Cow to fill out. Very plain little Holsteins no change with buyers becoming more selective. Thirty eight realised £100 plus, with fourteen £150 and over. This weeks average is £20 above the ENGLAND Farmers Guardian all markets average of £45.82.

**Our Top Twelve Bulls**

- £205 30 days – Cheshire Vendor
- £183 18 days – R.J. Latham
- £180 30 days – M.T. Jones

- £150 18 days – Mrs K.M. Newton
- £150 24 days – Roger Done

**Weanlings (6)**

A small entry met a GOOD COMPETITIVE TRADE but as one buyer commented they looked “good value compared to the price of calves”

**4 Bulls**

- £388 S. Devon x 5 month old – G.W. Brock & Son
- £388 BB 10 weeks – M.B. Jenks
- £185 Holstein 3 month old – Staffordshire Vendor

This is a Declaration about whether any calf has been injected if so with what **DRUG** and when the withdrawal period finishes. Copies are available from the Market Office. This is particularly relevant to Holstein, Ayrshire, Jersey, Brown Swiss and Swedish Red Bulls, Holstein Free Martin Heifers and very small crossbreds

 Beeston Castle Auction  
 Tel: 01829 262 100

Orange Cards must be completed by all Vendors  
**EACH WEEK.**

Calves that have been Pre-Movement tested need a copy of the Vets Certificate with each passport please.

Any calves found to have the **WRONG SEX** on the Passport will be sent home for the Vendor to amend with B.C.M.S.

Calves between seven and nine days old are subject to transport restrictions. Only buyers from within forty miles can buy them. Ideally sell your calves at least ten days old. Please check your passports are correct.

Remember calves over 42 days from one or two year T.B. Status Farms will need a T.B. Test and then sold with a Vet Certificate which is valid for sixty days.

Ideally sell your calves under 40 days old.

**This Friday 20<sup>th</sup> November the 42 day old calf will have been born on 10<sup>th</sup> October 2009**

**OVERALL 153 Entered topping at 119.0p / £1058.40 Averaging 74.0p**

More than we were expecting this week compared to other local markets. Two buyers missing this week and others not as keen as usual, along with a poor entry of cows restricted the averages. The best came with a lot of belly and the plain ones just kept coming one after another. **Please inform us of your entries for the next sale and so we can keep you up to date with the current price information.**

**69.** TRADE A LOT SHARPER this week for most types. Holstein Friesian bulls didn't seem to be wanted as much as usual but that might have been the quality forward, (some too small for their ages). It's getting the time of year when companies are buying for the Christmas trade. In the next few weeks you should see an upturn in the trade. If you have some to sell please contact Alastair 07831 395167

**Every Friday**

(To commence after the sale of the beef approximately 12.30pm)

**(135)** Numbers less this week, and TRADE was sharper. In fact if the beef trade lifts it will give the confidence to the buyers to buy more store cattle. Keep the cattle coming and let us know of your entries so we can market your cattle to their best ability. We offer FREE pre sale advertising and pre sale inspections.

## IMPORTANT NOTICE TO ALL CATTLE VENDORS

### FARM ASSURANCE

At the moment it is making a large difference on the price of your cattle especially in the Beef Section. We need to know if your cattle are Farm Assured and we need the details on the entry card and a sticker must be placed in the passport.

If we are unsure at the time of numbering your cattle we will sell your cattle **NOT** assured which at the moment is making a difference in price of approximately 10-15pence per kilo.  
*That's £55 - £85 on the average weight beast sold at Beeston on Friday*

Please ensure that you are in the correct scheme as well, many cattle are assured for under 100days and after 30months old. This does **NOT** meet the requirements for the under 30month old Beef Cattle.

Please contact Wright Manley if you would like to join the scheme  
Or
