If you have any queries please speak to Andrew Wallace.

573 A TERRIFIC ENTRY of 573 Calves confirmed Beeston as the largest weekly sale yet again, with Buyers for all categories for the HOME MARKET, including a couple of new faces. GOOD COMPETITIVE BIDDING led to GOOD PRICES particularly for the better quality lots. Angus Bulls soared to £298, Continental Bulls made to £345 and three week old Holstein Bulls sold to £138 with plenty more £80 to £120. Nine consignments of ten or more. Nice to see two Middlewich Vendors back selling with us again.

STOP PRESS – NEW “NOT FOR EXPORT” Section

Starting this coming Friday 26th August we will be operating a “SPECIAL NOT FOR EXPORT” Section for Holstein Bulls to assist clients on Wiseman Milk Contracts. Please put these calves on a SEPARATE ENTRY CARD and enclose a white “NOT FOR EXPORT” Declaration Form in each Calf Passport.

NO CALVES ARE BEING BOUGHT “To Export” straight out of the Market.

BUYERS and SELLERS – Thank you for your custom.

EARLIER ARRIVAL OF HOLSTEIN BULLS WOULD BE HELPFUL TO ENSURE A PROMPT START TO THE SALE

Please check the SEX of your calves before you send for the Passports.

WOULD NATIVE BREED VENDORS PLEASE UNLOAD BEFORE 10.30 am AND NOT AFTER 11.00 am.

Friday 26th August 2011 the 42 day old calf will have been born on the 16th July 2011.

A much better entry this week, probably due to vendors clearing out before the bank holiday next week, which usually causes one or two buyers not to be present, but doesn't always mean that the trade will be much less. This week met a blistering trade once again at Beeston over 30 cattle realising over £1000 averaging £706. Keep the cattle coming while the trades good a few dairy sales coming up in September so there should be more culls being swapped which may bring the numbers forward and the trade less. Please ensure that you contact our office with your entries so we can give you an update on how the trade is.

BEEF CATTLE

Prices peaked at 193.0p or £1,186.95

62 A much better entry this week, but a mixed quality forward. Even a new account opened so keep the number up we have the buyers. *This is a clear indication that under this short fall of cattle numbers cattle should be sold liveweight and this would give a more realistic value to your cattle on a quality basis. Sell in markets while there is a current shortfall of numbers and force the trade to its maximum.*

BEESTON A trade as good as anywhere, don't travel for an extra penny! (That's only £5 extra and the diesel would probably be £10!! Do the maths) PAYMENT IS AVAILABLE ON THE DAY.
