## SINGLE FARM PAYMENT

The 2010 Forms are starting to arrive in the post. If you want some assistance contact Graham Martyn or Andrew Wallace at Beeston on 01829 262 132.

The DEADLINE for submitting them without penalty is 17<sup>th</sup> May.

There are a few changes from last year.

The 2010 payment will be based on 25% of the Entitlement held on historic subsidy receipts and a 75% Flat Rate Element.

The Euro/Sterling Exchange Rate will be taken at the end of September 2010.

In 2010 the total modulation will be 19% although the first 5000 Euro's will be exempt from EU Modulation.

### ARE YOUR CATTLE RECORDS UP TO DATE?

Dairy and Beef Farmers need to check their Cattle Identification Records to ensure they comply with the rules and are up to date as it is part of the Single Farm Payment Cross Compliance.

An inspection could be called at any time to check Cattle Identification and/or Movements.

Last year approximately 50% of Livestock Farms failed!!

Failures were for not notifying births, deaths and movements, animal holding breaches, animal identification failures and passport anomalies.

Not sending a passport back to B.C.M.S. when an animal has died could cost a Farm 3% of its Single Farm Payment.

### **Cattle Records MUST BE KEPT FOR A MINIMUM of 10 YEARS.**

If you want to check up yourself ask B.C.M.S. for a quarterly Statement.
