ATTENTION CALF VENDORS

If calves are PRE-Movement Tested WE NEED a copy of the Paperwork with each calf to give to the Buyer with the PASSPORT.

Your cooperation would be appreciated.

If you have any queries please speak to Andrew Wallace.

399 STEADIER TRADE on the whole with some Buyers more “price conscious” and a couple of regulars away on holiday. Fewer best Continentals over £300 but a super Blue from P. & A. Howard did take top spot at a pleasing £375 going to R.J.M. & S. Shearer. Best Heifers sold to £350 but most were less money. Black and white Bulls made to £112, Angus Bulls to £214 and Angus Heifers sold to £162. Some calves looked “better value” – Are you looking to buy a batch? – Give Beeston a try as we do have a good selection to pick from.

MORE CALVES NEXT WEEK PLEASE.

BUYERS and SELLERS – Thank you for your custom.

EARLIER ARRIVAL OF HOLSTEIN BULLS WOULD BE HELPFUL TO ENSURE A PROMPT START TO THE SALE

Please check the SEX of your calves before you send for the Passports.

WOULD NATIVE BREED VENDORS PLEASE UNLOAD BEFORE 10.30 am AND NOT AFTER 11.00 am.

Friday 8th July 2011 the 42 day old calf will have been born on the 28th May 2011.

TESCO MILK CONTRACT SUPPLIERS

We are aware you have been recently sent a letter concerning Calf Exports.

We will announce at the time of sale calves as “NOT ELIGIBLE FOR EXPORT” if you mark on the Orange Entry Card accordingly.

ORANGE CARDS MUST BE COMPLETED BY ALL VENDORS EACH WEEK INCLUDING NAMED SIRES FOR ANGUS & HEREFORD CALVES

There is a **NEW FOOD CHAIN INFORMATION FORM** which needs **COMPLETING** and **SIGNING** with each batch of calves that could go for **PROCESSING**. This is a Declaration about whether any calf has been injected if so with what **DRUG** and when the withdrawal period finishes. Copies are available from the Market Office. This is particularly relevant to Holstein, Ayrshire, Jersey, Brown Swiss and Swedish Red Bulls, Holstein Free Martin Heifers and very small crossbreds

Calves between seven and nine days old are subject to transport restrictions. Only buyers from within forty miles can buy them. Ideally sell your calves at least ten days old. Remember calves over 42 days from one or two year T.B. Status Farms will need a T.B. Test and then sold with a Vet Certificate which is valid for sixty days. Ideally sell your calves under 40 days old.

Friday 8th July the 42 day old calf will have been born on 28th May 2011

SALE REPORT

CHRISTARON HOLSTEINS TO 2500 GNS TWICE AT BEESTON

The milking portion of the Christaron herd of Pedigree Holsteins, the property of Ron and Judith Hill of Beehive Farm, Lound, Nr. Lowestoft on the Norfolk/Suffolk border, was dispersed at Beeston Castle Auction on Friday, 1st July. This small but good quality herd was virtually of pure imported blood mainly based on Ravenswell and Avondale bloodlines.

Continued:

The herd, which is all year round calving and loose housed sold on a very fast trade with buyers recorded from Scotland to Kent. The top price was 2500 gns which was achieved on two occasions; the first was for Christaron Shottle Molly (GP84), a member of the Monogram family who was due with her second calf to Reece in August. She was purchased by Philip Smith of Wigboro Wick, Clacton, Essex. At the same price was the milking heifer Christaron Banban Naomi who calved for the first time at the beginning of April and was sold giving 37.0 kg. This daughter of Bam Bam is bred from 4 generations of Very Good or Excellent dams and sold to Johnstone Rae of Dumfries. Her full sister, Christaron Braedale Naomi who had calved in May sold for just 200 gns less and was purchased by Rob Kirk for his Leedham Herd based at Melton Mowbray.

The Outside daughter Christaron Outside Sunny 2nd was next in line selling at 2250 gns to Ledgers Farm Ltd. of Dover, Kent. Five other milkers sold for prices ranging from 2000 to 2150 gns.

In-calf Heifers met a very good and consistent trade and sold to 1950 gns for Christaron Dolman Naomi due in November to Reece and purchased for Ledgers Farm Ltd with another by Bam Bam selling at 1900 gns to F Williamson & Sons of Chelford. Calves at foot sold up to 1350 gns for Christaron Garrett Tracy a November born daughter of Schillview Garrett and bred from 4 generations of VG/Ex dams selling to an undisclosed North Wales breeder
