## **IMPORTANT NOTICE** **TO ALL CATTLE** **VENDORS**

### FARM ASSURANCE

At the moment it is making a large difference on the price of your cattle especially in the Beef Section. We need to know if your cattle are Farm Assured and we need the details on the entry card and a sticker must be placed on the passport.

If we are unsure at the time of numbering your cattle we will sell your cattle **NOT** assured which at the moment is making a difference in price of approximately 10-15pence per kilo.

*That's £55 - £85 on the average weight beast sold at Beeston on Friday*

Please ensure that you are in the correct scheme as well, many cattle are assured for under 100days and after 30months old. This does **NOT** meet the requirements for the under 30month old Beef Cattle.

Please contact Wright Manley if you would like to join the scheme or any information regarding your current status if you are already a member
