Again more cows this week. Trade a little better with the return of two faces missing from last week. The plain cows definitely better this week, the steaking cows similar to last week's trade and the best cows which you could count on one hand were better. Numbers will dwindle from now till after the New Year let's hope trade will buck up somewhat. ## IMPORTANT NOTICE TO ALL CATTLE VENDORS

### FARM ASSURANCE

At the moment it is making a large difference on  
the price of your cattle especially in the Beef  
Section. We need to know if your cattle are Farm  
Assured and we need the details on the entry  
card and a sticker must be placed on the  
passport.

If we are unsure at the time of numbering your  
cattle we will sell your cattle **NOT** assured which  
at the moment is making a difference in price of  
approximately 10-15pence per kilo.

*That's £55 - £85 on the average weight beast  
sold at Beeston on Friday*

Please ensure that you are in the correct  
scheme as well, many cattle are assured for  
under 100days and after 30months old. This  
does **NOT** meet the requirements for the under  
30month old Beef Cattle.

Please contact Wright Manley if you would  
like to join the scheme

or

you are already a member
