### Hello

My name is Sharon Mayer and I have recently become an Agricultural Chaplin covering Cheshire and if necessary across the borders too. You may have already seen me loitering around the Auction ring or the Café or even chatted with me.. I come to Market most Friday mornings first to chat and get to know farmers in this area and to let people know that as a Chaplin I am available to anyone involved in the farming industry who needs someone to talk to confidentially or support. I am a Dairy Farmer from Toft near Knutsford farming in partnership with a local family since my husband's death 3 years ago. I love chatting about farming so please if you see me come over and fill in my farming knowledge.
