**TESCO MILK CONTRACT SUPPLIERS**

We are aware you have been recently sent a letter concerning Calf Exports.

We will announce at the time of sale calves as “NOT ELIGIBLE FOR EXPORT” if you mark on the Orange Entry Card accordingly.

**ORANGE CARDS MUST BE COMPLETED BY ALL VENDORS EACH WEEK INCLUDING NAMED SIRES FOR ANGUS & HEREFORD CALVES**

There is a **NEW FOOD CHAIN INFORMATION FORM** which needs **COMPLETING** and **SIGNING** with each batch of calves that could go for **PROCESSING**. This is a Declaration about whether any calf has been injected if so with what **DRUG** and when the withdrawal period finishes. Copies are available from the Market Office. This is particularly relevant to Holstein, Ayrshire, Jersey, Brown Swiss and Swedish Red Bulls, Holstein Free Martin Heifers and very small crossbreds

Calves between seven and nine days old are subject to transport restrictions. Only buyers from within forty miles can buy them. Ideally sell your calves at least ten days old. Remember calves over 42 days from one or two year T.B. Status Farms will need a T.B. Test and then sold with a Vet Certificate which is valid for sixty days. Ideally sell your calves under 40 days old.

**Friday 29<sup>th</sup> July the 42 day old calf will have been born on 18<sup>th</sup> June 2011**

OVERALL 210 Entered topping at 162.0p / £1254.50  
Averaging 111.4p

An increase of 50 head this week met a trade still as impressive as previous weeks but it looked worse than it was because of the lack of quality cows forward. Trade has certainly brought the walking wounded out. Many of the plain cows from 50-75p but I quote plain I mean more meat on a butcher's apron! The best cows still up in the 130's a cow from R Ankers weighed 965kg realising £1254.50 at 130p. Two companies not buying this week with various excuses not to come, but not altering the trade by much. So keep them coming as trade seems likely to stay good for a while. However there is talk of them coming less so take full advantage of it while it's good.
