Friday 6th January OPEN

CONDEMNED & REJECTED CATTLE AT THE SLAUGHTER HOUSE

Please note at Beeston we check to ensure that the Passport matches every animal by reading the clearest ear tag. It is the **owner's** responsibility to ensure that the ear tags have the same number in each ear corresponding with the passport we cannot be expected to check over 900 tags before all the animals are sold. We have had 4 cattle entered for sale over the past month with different ear tags in each ear. If this happens the animal is condemned at the abattoir no payment is made and you will get an inspection from Trading Standards. This also includes tags that have been tampered with or homemade ones!

It is the Warranties under the Food & Safety Act 1990.

The abattoir or the buyers do not want to condemn cattle it is wasting their time and money. It is in the hands of Government officials to make this decision, and if these animals are seen to be entering the food chain this may cause a public health scare?

FARM ASSURANCE

Vendors please ensure that the cattle you sell are correctly **FARM ASSURED.**

If you sell an animal in the auction and it is kept to be fed on then the buyer presents it to an abattoir within 90days, if they were purchased as Farm Assured and they turn out not to be, they will get deducted between 30–50pence per kilo dead weight.

Please clearly put on the entry card your farm assurance sticker and also in the passport marked with an “ X ” next to **your** off movement (as shown Below)

32 Still a shortage of numbers, this week's trade has been steadied up with outlets short of customers for the product in the shops at the inflated prices we have recently been having. This was similar to the past few years just the time when people are spending on Christmas or tightening their belt for Christmas perhaps? *It's believed that one abattoir has processed 700 less beef cattle this week and that is just one company. Scaremongering perhaps who knows but if people want to eat they should pay for the product it costs enough to produce?* If you have any please do not hesitate to contact us with your entries.

PAYMENT IS AVAILABLE ON THE DAY.

RED MARKET

Due to recent TB Tests restricting farmers from selling in the livestock market, Beeston Auction will be holding a Red Market for slaughter cattle only from herds that are restricted or closed due to the 6 day rule that normally sell in the weekly market.

We will be holding an auction (*depending on the support and numbers for the section*) in the New Year, please contact our office if you have been affected by restricted trading due to TB outbreaks on your farm

STORE CATTLE

Every Friday

(To commence after the sale of the beef approximately 12.30pm)

(99) A few less again this week but trades not letting up, quality was lacking a little this week some smaller types forward making the trade look a little depressed with not many over the £1000 mark but still plenty close to £2 per kilo.

WHY house them for the winter let someone else do it if trade is such a premium surely it cant pay to keep them with the cost of feed? **VENDORS - If you sell to traders off the farm are you getting the right price? We have a packed ring of buyers desperately wanting cattle there couldn't be a better place to have your cattle properly valued than in the market.**

SALE REPORT

SIX OVER 3000 GNS AND UP TO 4100 GNS FOR WESTERN CLUB SALE AT BEESTON

The Western Holstein Club's final monthly Show and Sale on behalf of their members took place at Beeston on Friday, 25th November; judge for the day was Judith Bowes who farms locally near Tarporley. For her Champion she selected Longfont Magot Dolly, a daughter of Charpentier Magot from Giles Dodd of Dodleston, Nr. Chester and in reserve was another Magot daughter, Woodmarsh Mag Hatlady 89th from M & JC Gould Ltd of Bomere Heath, Shrewsbury. A good trade was experienced throughout but trade for the best heifers with long and deep pedigrees were on fire with plenty of interest from many different areas. Six animals sold for 3000 gns or more but it was the only cow in this bracket that secured the top price of the day of 4100 gns; Galastar Shottle Melody ET (VG85 & SP) from Ian and Philomena Scarisbrick of Goostrey, Nr. Middlewich, is an outstanding third calf daughter of Shottle with a PLI of £+174 and is indeed the 8th generation of cows classified in the top two grades. She gave 10000 kg at 4.51% butterfat and 3.38% protein with her second calf and was sold giving 40 kg fresh with her third. After lots of interest from several bidders the hammer was eventually knocked down to join the Caeremlyn Herd of Henllan Farms Ltd at Whitland Carmarthenshire.

The next in the price list was Dunnerdale Shaquille Pretzel, by Deslacs Shaquille and bred from 6 generations of cows classified EX/VG; she won 3rd in her class and was sold giving 37.4 kg to J T Parkin of Barnard Castle Co. Durham. Mr. Parkin also purchased the preceding heifer from the same home; Dunnerdale Bolivia Dawn, a four generation VG/Ex by Magor Bolivia Allen daughter was sold giving 29.4 kg and sold for 3850 gns.

Another outstanding and beautifully bred heifer was Hully Atlas Pam 53rd from Rob Barnett of Whitchurch; this heifer, who was not shown in the show classes, has 4 Excellent dams and a VG86 sister was sold giving 34 kg to Gerwyn Vaughan of Boncath, Pembrokeshire for 3700 gns. Another outstanding heifer that was also not shown was Kingold Shottle Diplomat 3rd from Terry Goldstraw of Audlem. She is from an old established and very successful cow family and has seven generations of VG/Ex dams in her pedigree and sold for 3500 gns to Harri Evans of Anglesey for his Ceinwen Herd.

The only other animal to break 3000 gns mark and selling for this figure was Simon and Claire Powell's Burlane Shottle Tracy from the Wilsondale Triuna family which sold to Henllan Farms Ltd. At just 50 gns less at 2950 gns was Woodmarsh Mag Helen 130th from M& JC Gould which sold to Gerwyn Vaughan giving 43.6 kg daily. The Champion heifer was next in the price list; she has an EX90 Jogger dam and was also purchased by Mr. Vaughan for 2850 gns.
