## TESCO MILK CONTRACT SUPPLIERS

We are aware you have been recently sent a letter concerning Calf Exports.

We will announce at the time of sale calves as “NOT ELIGIBLE FOR EXPORT” if you mark on the Orange Entry Card accordingly.

### ORANGE CARDS MUST BE COMPLETED BY ALL VENDORS EACH WEEK INCLUDING NAMED SIRES FOR ANGUS & HEREFORD CALVES

There is a **NEW FOOD CHAIN INFORMATION FORM** which needs **COMPLETING** and **SIGNING** with each batch of calves that could go for **PROCESSING**. This is a Declaration about whether any calf has been injected if so with what **DRUG** and when the withdrawal period finishes. Copies are available from the Market Office. This is particularly relevant to Holstein, Ayrshire, Jersey, Brown Swiss and Swedish Red Bulls, Holstein Free Martin Heifers and very small crossbreds

Calves between seven and nine days old are subject to transport restrictions. Only buyers from within forty miles can buy them. Ideally sell your calves at least ten days old. Remember calves over 42 days from one or two year T.B. Status Farms will need a T.B. Test and then sold with a Vet Certificate which is valid for sixty days. Ideally sell your calves under 40 days old.

Friday 5<sup>th</sup> August the 42 day old calf will have been born on 25<sup>th</sup> June 2011

## 139 CULL COWS & OTM

Direct Telephone number 01829 262103  
Every Friday at approximately 10.00am

**OVERALL 139 Entered topping at 168.0p / £1,058.60**  
**Averaging 114.1p**

A lot less cows forward this week probably due to the excellent harvesting conditions. A few more better cows presented today brought the average back up. No real change in trade. The best cows in the 130's and some 25-27mo Holstein Friesian Steers shown by P Studley & Sons made to 154p coming to just shy of a £1000. The plain cows sold from 59p (or £215) to 80p, the steaking cows are in the range of 100-118p. So keep them coming as trade seems to be here to stay for a while. There is talk of them coming less so take full advantage of it while it's good.

**SALE REPORTS**

**3100 GNS FOR GOLDWYN DOLLY AT BEESTON !**

The Western Holstein Club's Monthly Show & Sale of Fresh calved cows and milking heifers on behalf of its members attracted an entry of 124 Cows and Milking Heifers, 1 Maiden Heifer and 1 Heifer Calf of which fifteen were not forward on the day. Judge for this month was Mick Gould Jnr of the Woodmarsh Herd and for his Champion he selected Alderbarrow Atlas Cobby (by Durham Atlas) from Brian and Leonora Whitfield and family of Wem and in Reserve was Broomlea Nevina 22nd, a daughter of Wilcoxview Jasper from Mike and Rosemary Lomas of Broomhall, Nantwich.

Trade was very good but perhaps not as sharp as might have been expected although only one animal failed to find a new home. The average for the heifers was back £90 on the month but it has to be said the quality was certainly not as good as the previous month. Top price was 3100 gns for Howard Walmsley's Fordswood Goldwyn Doll ET, a superbly bred daughter of Goldwyn bred from 4 generations of Very Good/Excellent dams and who has thirteen sisters similarly scored. She now joins the Santamaria Herd of Tony Hack at Llandyssil, Cardigan.

The next top seller was the first prize winning cow, Fab Freelance Misha (Ex90 & SP) from Ballakillingan Farms Ltd of the Isle of Man. This daughter of Braedale Freelance is the sixth generation of cows classified in the top two grades; she has just given a second lactation of more than 12000 kg and sold giving 44 kg daily to an undisclosed South Midlands buyer for 2800 gns. At the same price was Bassingthorpe Jasper Rox 8th ET (GP83-2yr) from Anne Harrison of Grantham; she has seven generations of top scored animals behind her and also has one Excellent and

four Very Good Sisters.. She sold giving 40 kg daily to DR & A Higgins of Shrewsbury. Two animals made 2700 gns each; the first at this price Weeton Atlas J Mona consigned by MD Delight Durham Atlas and who has four generations of VG/Ex dams. She sold to Adrian Jones for his Garthmyl Herd at Welshpool whilst at the same money was the Champion heifer purchased by Stuart and Richard Apperley of Marchamley Wood, Shrewsbury. One very well bred maiden heifer was entered by Rob Swain of Shavington Park, Market Drayton; Shavington Regiment Rapture Raven is by Carousel Regiment Red and is bred from 6 generations of VG/Ex dams from this renowned family as well as having a VG87-2yr sister. She sold for 1900 gns to Ian Briggs of Leeds.

**RUSHCOVE FLYER!**

The Dispersal of the large Rushcove herd of Pedigree Holsteins, the property of Rushcove Farms, Rushmere Hall, Lowestoft, Suffolk took place at Beeston Castle Auction, Cheshire on Tuesday, 5<sup>th</sup> July and experienced a very fast trade for all ages resulting in one of the best trades of the year so far.

The sale was extensive with some 336 head presented for sale on the day. Apart from being sound, good looking, milky cattle the sale featured two vital ingredients for success – the herd was cubicle housed and from a region which is on a four year cycle for testing for TB. As a result one of the largest crowds seen for some time gathered at Beeston from many corners of the country.

Many buyers went home empty handed and at the end of the day over 70 buyers were recorded from 18 counties from Scotland to East Anglia to West Wales.

The top price was 2200 gns paid for the fresh second calf cow, Rushcove RSVP Elke who gave 8026 kg 4.56% fat as a heifer. She had calved again three weeks ago and was sold

giving 42 kg to Eddie Pemberton of Cheadle, Staffs. Three cows made 2050 gns each; Rushcove RSVP Bernie (GP82) due with her second in August to Ginary Twister sold to the Trustees of TG Cambridge from Blymhill, Shifnal; Rushcove Duce Johanna (GP83) is a winter calver with her second to Galastar Bluesky and sold to Newhouse Farms Ltd., Dumfries and the fresh second calver Rushcove Denzel Sunshade sold to Charles Sherwin of Middlewich. Four more cows sold for 2000 gns a piece selling to Bryan Donald, Carlisle (two), JEA Owens and Partners, Carmarthen and G Green & Son, Northwich.

On a very good day for trading, the in-calf heifers were undoubtedly the trade of the day. Those that were calving from the end of August to October nearly all made from 1700 to 2000 gns and even those only three months in-calf were making up to 1450 gns. Top price in-calf heifer was Rushgrove Minister Plenty, sired by Mr. Minister and in-calf to Ginary Twister selling for 2000 gns to Platt Bros of Allostock, Knutsford with another by Weeton Jackson and also in-calf to Twister selling for 1980 gns to PJN & SN Morris of Lockerbie. Served heifers, not guaranteed in-calf calf to 1100 gns for a daughter of Mr. Minister selling to RR Corfield & Co of Caersws and Maiden heifers also sold to 1100 gns for daughter of Baxter selling to J Prest & Son of Lancaster. Heifer calves at foot sold to 780 gns four times for daughters of Baxter, Mr. Minister, Decker and Bolivia selling to Simon Carden, Malpas, JW Jones & Co., Denbigh and WR Stewart, Mauchline, Ayrshire.
