69. Trade back in line with other centres. Today's entry was made mainly up of cattle that needed more time to gain finish and more weight to gain higher prices. Many cattle have not got the "finish" on them which is not what the meat wholesalers want. They prefer better graded cattle with meat on. The trend this time of year is for joints of meat not mince. If you have some to sell please contact Alastair 07831 395167
