## BEESTON CATTLE SECTION

**YOU MAY LOSE OUT ON PRICE IF YOU DO NOT SUPPLY THE RIGHT INFORMATION**

### 180 CULL COWS & OTM

Direct Telephone number 01829 262103  
Every Friday at approximately 10.00am

**OVERALL 180 Entered topping at 168.0p / £1251.20**  
**Averaging 109.3p**

The overall entry was down by 30% this week, holding trade and giving a lift for the steaking types. A better quality of cow forward compared to last week helped lift the average.

*Remember if traders or direct buyers are taking them from your farm are you getting the right price? We have at least 14 buyers with 20 accounts to buy cattle not just one that gives you their price.* The forecast is that trade may steady with an influx of cattle if we have a wet spell for a couple of weeks in October. After that trade should be positive up to Christmas dependant on numbers in the market?

Please contact our office with your entries so that we can sell them at a premium rather than having more than the buyers can cope with.

## STORE CATTLE

**Every Friday**

(To commence after the sale of the beef approximately 12.30pm)

**(159)** The good weather must have put some off bringing cattle today it certainly wasn't the trade. Some onlookers past comment that the prices looked less, but the cattle weigh very little at the moment if they have been outside on grass. Many were selling over £2 per kilo. Steers sold to £535 over their weight and heifers to £365 over their weight. Plenty of confidence to buy cattle at the moment it's just the feed and bedding costs through the winter could hamper the prices the further we get into the back end and cattle have to come in. **VENDORS - If you sell to traders are you getting the right price? We have a packed ring of buyers desperately wanting cattle there couldn't be a better place to have your cattle properly valued than in the market.**
