If you have any queries please speak to Andrew Wallace.

357 MIXED TRADE WITH CALVES GENERALLY LESS MONEY. Trader Buyers were very cautious with instructions to buy at lower prices or “Not At All” as grain prices remain at £180 to £200 per tonne. Two had orders cancelled on Thursday Night. However a few of the best calves on offer sold well with a high of £338 for a five week old British Blue Bull from P. & A. Howard. Angus Bulls sold to £228 and Hereford Heifers to £150. Processing Bulls dearer with a new buyer in attendance.

If you are thinking of buying a few, this weeks price drop should encourage you to enter the Market.

Thank you for your Custom.

Please check your calves for Navels and treat them if you can. Please check SEX of your calves before you send for the Passports.

WOULD NATIVE BREED VENDORS PLEASE UNLOAD BEFORE 10.30 am AND NOT AFTER 11.00 am.

Friday 11th February 2011 the 42 day old calf will have been born on the 30th December 2010.

PROCESSING. This is a Declaration about whether any calf has been injected if so with what **DRUG** and when the withdrawal period finishes. Copies are available from the Market Office. This is particularly relevant to Holstein, Ayrshire, Jersey, Brown Swiss and Swedish Red Bulls, Holstein Free Martin Heifers and very small crossbreds

Calves between seven and nine days old are subject to transport restrictions. Only buyers from within forty miles can buy them. Ideally sell your calves at least ten days old.

Numbers less this week but trade still continues to be very strong. A better show of cows forward but also stronger buying power from all clients. They say trade will continue if the cattle numbers don't drop any further so that companies can keep fulfilling their orders to the European market. If you have any cattle that you may want to process from your herd take full advantage of the trade NOW.

ALSO cattle required for grazing/feeding. A number of buyers especially in the next few months would like to purchase cattle to rear on, BUT they require TB tested or from a 3-4 year testing parish. If you have any please contact us to ensure that the buyers are in attendance. Please do not hesitate to contact us for an up to date forecast.
