## TESCO MILK CONTRACT SUPPLIERS

We are aware you have been recently sent a letter concerning Calf Exports.

We will announce at the time of sale calves as "NOT ELIGIBLE FOR EXPORT" if you mark on the Orange Entry Card accordingly.

**ORANGE CARDS MUST BE COMPLETED BY ALL VENDORS EACH WEEK INCLUDING NAMED SIRES FOR ANGUS & HEREFORD CALVES**

There is a **NEW FOOD CHAIN INFORMATION FORM** which needs **COMPLETING** and **SIGNING** with each batch of calves that could go for **PROCESSING**. This is a Declaration about whether any calf has been injected if so with what **DRUG** and when the withdrawal period finishes. Copies are available from the Market Office. This is particularly relevant to Holstein, Ayrshire, Jersey, Brown Swiss and Swedish Red Bulls, Holstein Free Martin Heifers and very small crossbreds

Calves between seven and nine days old are subject to transport restrictions. Only buyers from within forty miles can buy them. Ideally sell your calves at least ten days old. Remember calves over 42 days from one or two year T.B. Status Farms will need a T.B. Test and then sold with a Vet Certificate which is valid for sixty days. Ideally sell your calves under 40 days old.

**Friday 12<sup>th</sup> August the 42 day old calf will have been born on 2<sup>nd</sup> July 2011**

  
**MILK QUOTA FOR SALE**

Only a few more forward this week compared to last, therefore keeping the trade well up for the time of year with the overall average up 5pence on last week. At the moment demand is greater than Supply, as soon as more come on to the market the price will decline, but if we have another relatively mild autumn there may not be a glut of numbers in September/October also along with the few dairy sales about to swap old for new. So keep them coming as trade seems to be here to stay for a while but there is talk of them coming less take full advantage of it while it's good.

*Even some Welsh vendors are taking full advantage of the trade at Beeston travelling a round trip of 140miles to gain the best prices.*

*Are you getting enough from selling direct off the farm the Black and White section averaged 116.3p or £715, the continental section averaged 147.5p or £876.20 and the other breeds, Hereford, Aberdeen Angus, Shorthorn, Welsh Blacks and Jerseys 121.4p or £638. (That's with 2 Jerseys in the average at 85p or £361 and 82p £451). The livestock markets seem to be in the driving seat at the present time with prices. Please contact us at Beeston with your anticipation of entries to ensure that you receive the best market price and for that reason we do not saturate the market suddenly one week because of the excellent trade.*

## BEEF CATTLE

**EVERY FRIDAY AT  
approximately 12 Noon**

**Prices peaked at 195.0p or £1,360.40**

**30** With markets dictating prices compared to the deadweight figures, it is incredible that there are not more cattle in the auctions. This is a clear indication that under this short fall of cattle numbers, cattle should be sold liveweight and this would give a more realistic value to your cattle on a quality basis. Look at the pig/pork prices how the contracts have dictated to them over the years the beef could go the same way if you do not use live sales. Sell in markets while there is a current shortfall of numbers and force the trade to its maximum.

BEESTON A trade as good as anywhere, don't travel for an extra penny!

**PAYMENT IS AVAILABLE ON THE DAY.**

## **SALE REPORTS**

### **GREAT TRADE FOR BEESTON**

#### **COLOURED BREEDS**

**3000 GNS FOR AYRSHIRE COW**

**2850 GNS FOR JERSEY MAIDEN**

The quarterly collective sale of coloured breed dairy cattle at Beeston Castle Auction attracted an entry of just under 100 head representing the Ayrshire Brown Swiss, Dairy Shorthorn and Jersey breeds. A very good trade was experienced for all classes and buyers were present from Scotland to Somerset.

#### **AYRSHIRES**

The Ayrshire breed provided the top price of the day when Marshall and Patsy Barnett sold their June calved Twemlow Helena 9<sup>th</sup> (VG87) for 3000 gns to Blaise Tomlinson of Nanpantan, Leicester to join his Sandyford Herd. She is a second calver sired by McCornick Nelson out of Ex94 daughter of Brocklehill Mastermind. They also sold the sister to this cow; Twemlow Helena 10<sup>th</sup> is May calved heifer sired by Twemlow Major Threat and she sold to Bostock Bros of Biddulph for 2100 gns. Other calved heifers sold from 1220 to 1750 gns for a daughter of Muirston Bar None from Mark Partington of Bolton.

#### **BROWN SWISS**

There was only a small entry of Brown Swiss and these were all Maiden Heifers consigned by Rob Aspden of Haslington, Crewe. They sold to 950 gns twice for two August 2009 born daughters of Richelieu out of dams by Hilltop Acres PT Dallas and were both purchased by OC Whittaker & Sons Ltd of Knutsford.

#### **DAIRY SHORTHORNS**

Another small entry. Milkers sold to 1000 gns for a fresh fourth calver from DW Throup of Keighley. Served Heifers sold to 1100 gns for an autumn calving daughter of Rantonhall Cruz from Rob Kite of Milwich and maidens sold to 720 gns for a nine month daughter of Broadlane Fabian from Gary Norbury of Middlewich.

## JERSEYS

Jerseys were the most numerous of the breeds on offer and topped at 2850 gns for a beautiful show calf consigned by Designer Jerseys of Ingatestone Essex who were donating the proceeds in aid of the Jersey Youth Project. This heifer was not only a stunning looker but also superbly bred being from eight generation of VG/EX dams from the world renowned Duncan Belle family. She was purchased by R. Williamson, Somerset who also the next top seller in the Jersey collective sale Newmoor Big Show Leah, an in-calf heifer by RJF Big Show consigned by David Jones of Ormskirk.. Mr. Jones also sold the top price milking heifer, Bluestone Dainty Louise by Giprat Belles Chairman for 1000 gns to GAG Evans of Welshpool.

## JERSEY DISPERSAL

The sale included the dispersal of the unregistered Jersey herd, the property of Mrs JM Griffiths & Son of Barbridge, Nantwich. The top price was 1500 gns for a Jersey cross heifer due with her second to sexed semen in September. She was purchased by JA & MH Wright & Son of Sandbach. The next top price was 1200 gns for another Jersey cross heifer that calved in February and sold to D. Bailey, Biddulph. Served Heifers from the same home sold to 710 gns, Maidens to 580 gns and heifer calves to 400 gns.
