This is a Declaration about whether any calf has been injected if so with what **DRUG** and when the withdrawal period finishes. Copies are available from the Market Office. This is particularly relevant to Holstein, Ayrshire, Jersey, Brown Swiss and Swedish Red Bulls, Holstein Free Martin Heifers and very small crossbreds

Calves between seven and nine days old are subject to transport restrictions. Only buyers from within forty miles can buy them. Ideally sell your calves at least ten days old. Please check your passports are correct.
