## BREEDING GUARANTEE

All cows and heifers that are stated in the catalogue of Sale to have been served not less than ten weeks before the date of Sale, or to have been running with a bull between dates (the later of which is not less than ten weeks before the Sale) will be guaranteed by the vendor to be in-calf either to the date or one of the dates of service if more than one is stated, or to a service between stated running dates and to the bull stated in the catalogue of sale unless any alteration is announced by the auctioneers at the time of the Sale. Should any animal prove not to be in-calf, any claim under this guarantee must be made to the auctioneers in writing within 7 weeks of the date of sale. Should any animal which is declared to be in-calf prove not to be in-calf to the date or one of the dates of service or to some date within the running period or periods or to the bull stated as above any claim must similarly be made immediately any evidence in support of such a claim is available and in any case not later than 28 days after the date on which the animal was due to calve according to the date or dates in the catalogue of sale.

## UDDER WARRANTY

Unless otherwise stated or announced, any cow in-milk or any heifer in-milk at the time of the sale shall carry a guarantee that she is sound in udder and teats at the time of sale, but no claim under such guarantee can be entertained unless made to the auctioneers within an hour of the close of the last lot except in the case of Herd Dispersal Sales or Breeders' Home Sales when the guarantee period is extended to two hours after the close of the last lot. If the auctioneers are satisfied that the udder is not sound in all respects, the sale of the animal must be cancelled.

**NOTE: At Herd Dispersal Sales or Home Breeders' Sales the vendor must provide adequate facilities for udders to be inspected and for adequate milking facilities to be available for the purchaser in accordance with the warranty.**

## ANIMAL TRANSPORT REGULATIONS

From 5<sup>th</sup> January 2007 New Regulations came into force affecting anyone who transports live animals. Anyone moving animals more than 65 kilometres (40 miles) will require a LICENCE.

For the majority of farmers who are likely to fall in this category, they will need to apply for a "SHORT JOURNEY AUTHORISATION" from the State Veterinary Service. This authorisation will last for 5 years unless revoked or suspended and a copy of this will be required to be carried whenever stock are moved. The distance of 65km is defined as the travelling distance, not as the crow flies.

Application forms are available at the Beeston Office or from the Welfare in Transport Team, State Veterinary Service, Block C, Government Buildings, Whittington Road, Worcester WR5 2SU Tel. 08456 038395 Email [wit@svs.gsi.gov.uk](mailto:wit@svs.gsi.gov.uk)

If this applies to you, application must be made as soon as possible and you should keep a copy of the application form to carry with you if you did not receive your licence before 5<sup>th</sup> January.
