

BEESTON EQUINE EASTER SHOW & SALE

SALE REPORT For WEDNESDAY 31st MARCH 2010

WHAT A DAY TO HAVE A SHOW IT WAS LIKE WINTER!

A really nasty day to be standing outside judging an Equine show but our hardy judge a long with a few resilient breeders and master show people braved the elements to gain their awards and below are the results.

Top price realised £1620 for a fantastic Section D Gelding taking 1st prize in the riding section. Next a Bay 15.2hh Cob type Mare at £1250. Others in the show realised up to £220 for a lovely Section B Gelding, whilst Section A colts topped at £110.

Thorough Bred types still seeming the hardest to find new homes for, though getting to £700 for a unwarranted rider on a couple of occasions isn't too bad for this time of year. Childs riding ponies registered Section A Grey Mares topped at £400. Quite a number of Shetland's in this week from one vendor saw prices to £150 twice for some registered brood mares,

whilst the entry saw a pair of tiny matching coloured Shetland type colts reach £85.

More demand for all types seemed to be shown in the sale ring today, with many paddocks looking a little greener and the promise of spring nearly here, many people are looking for something to break further, exercise or get ready for the show season with the nights staying lighter they have more time after school, college or their work commitments.

If you are over stocked and would like to ease the pressure and lighten your pocket with food & bedding bills NOW might be the time to start thinning your stable yard down. Please do not hesitate to contact our office at Beeston or one of the auctioneers directly.

We are trying to build an email mailing list so that we can email directly our entries for the forthcoming sale or give notice of forthcoming important sales. It seems these days the quickest and easiest way of early communication. Please leave your email address at the office or click meet the auctioneers (*on our website*) email address to show your interest.

Thank you to all who made the effort for the spring show and also to Viv Morris our Judge.

Our Judge Viv ready for the day!

Pre sale all the isles were packed
