

SALE REPORT FOR THE FARM DISPERSAL AT ASHFORD GRANGE, MARKET DRAYTON, SHROPSHIRE

(Due to the sale of the farm On behalf of C & C Lloyd Parry & Sons)

A large crowd gathered to another of Wright Manley's famous farm dispersal sales a beautiful day bathed in sun. As usual a fantastic turn out for our sales of clients Old and New. Messrs Lloyd-Parry had been farming Ashford Grange for some 20 years and now it is the turn of someone else, therefore Wright Manley were appointed to disperse their used farming equipment. Below shows some of the sale realisations and some pictures of the day. Wright Manley would like to thank the family for their help and their instructions on conducting this complete sale of their farming business, and would like to wish them Good Luck for any future ventures.
