

## DELLIA FROM STAN PRICE TOPS BEESTON CLUB SALE AT 3200 GNS

The Western Holstein Club attracted an entry of 106 Cows and Milking Heifers for its July Show and Sale. Judge for the day was Martyn Rhodes who owns the Marlie Herd based at Goostrey, Nr. Middlewich and for his Champion he selected Fordswood Champion Roxy ET, a daughter of Calbrett Champion bred from six successive generations of cows classified in the top two grades of the noted Roxy family from Howard Walmsley, Garstang. Reserve Champion was awarded to Wardle Bambam Cherry, sired by Braedale Bambam out of an EX90 dam by Storm, consigned by Harold and Pat Crapper of Dronfield, Derbyshire.

Trade for the day was a little down on previous months but the good choice of quality wellbred animals were nevertheless keenly sought by several buyers. The top price was 3200 gns for Chaterley Talent Darel, a beautiful daughter of Talent, bred from four successive generations of VG/EX dams from the renowned Dellia heifer. This heifer was consigned by Stan Price of Stockport and sold in the ring to J Lomax & Son of Chorlton, Newcastle under Lyme winning the bidding battle over three different bidders on the phone.

Next highest price was 2800 gns for the very correct Reserve Champion. She was one of nine top heifers sold to an undisclosed bidder from the South. His other purchases included a Bolton from a ninth generation VG/Ex Sinatra dam from B & L Whitfield & Son, Wem at 2600 gns, a Damion from six generations VG/EX from Wilson Boow, Millom at 2500 gns, the Champion at 2400 gns and a Kendall bred from 10 generations VG/EX Vaakje's from Jack and Barclay Taylor of Shrewsbury at 2300 gns. Also selling at this price was Whinchat Icepack A Farrah from Andy Birkle, Melton Mowbray selling to Robert Paterson, East Dereham, Norfolk for their well known Airfield Herd. A total of fifteen heifers sold for 2000 gns or more.
