

# LANA TAKES THE GLORY AND TOPS BEESTON AT 4100 GNS.

The Western Holstein Club's Monthly Show & Sale of fresh calved cows and heifers at Beeston Castle Auction attracted an entry of 130 Head. Judge for the day was Richard Thomas who runs the Croesyceiliog Herd, Nr. Carmarthen in South Wales. For his Champion he selected a second calf cow from the Rowarton Herd of Roger & Pat Sutton at Astbury, Congleton; Rowarton Milkstar Favourite (GP83-2yr) is a daughter of Deslacs Milkstar and has three VG dams. In reserve was the heifer Leamington Roy Lana, a daughter of Roylane Jordan out of a (VG85) Convincer dam from D & E Trice of Leamington, Warwickshire.

Trade was much faster than the previous sale especially for the heifers for which there was plenty of bidding from start to finish. Some of the older cows were harder to sell but nevertheless sold well and the younger were keenly sought. Top price cow was 2800 gns achieved for the Champion who was purchased by the judge and the second calver Enchanted Jasper Rolls (GP84(VG-MS) from Enchanted Holsteins of Preston sold for 2500 gns to David Alderson of Northallerton.

The heifers were led by Painley Samuero Lana 53<sup>rd</sup> ET, a daughter of Regancrest-Mr Samuero ET with two EX dams and a (VG89) 9000 gns sister. She sold for 4100 gns to Lyn Davies of the Carmarthenshire based Meurig Herd. Mr.Davies was in the market earlier in the sale, snapping up Whinchat Mailing Honey, by Poly-Kow Mailing and bred from 9 generations of VG/EX dams for 3100 gns from Leicestershire vendor Andy Birkle. Selling for the level 3000 gns was Crosslanes Shottle Redtop 31<sup>st</sup> (GP82-2yr) from Alastair Dobson of Cholmondeley. This very milky heifer was giving 43 kg daily and sold to Hywel & Sheila Evans of Llansilin, Oswestry.
