

SHOTTLE HEIFER FROM ENCHANTED TOPS BEESTON CLUB SALE AT 2800 GNS

One of the smallest entries for some time of just 74 cows and heifers and 4 bulls were catalogued for the May Club Sale on behalf of members of the Western Holstein Club. Judge for the day was Peter Waring of the noted Yorkshire based Winton Herd who selected his Champion from the Rowarton Herd of Roger and Pat Suttton based at Astbury, Congleton. In fact the Sutton's won Champion and Reserve Champion and two first prizes with their three entries.

The Championship was awarded to the fresh heifer Rowarton Jordan Daisy, a daughter of Royleane Jordan out of a VG88 daughter of Outside. The reserve champion was the second calf Rowarton Osborne Rose (GP83) (VG-MS), a daughter of the homebred Astre son, Rowarton Osborne.

Trade was again very good indeed, although it has to be said there was a good show of cows, which were not just as easy to clear as the previous month, but trade for heifers, although less on average, was very good with a complete clearance, except one being achieved.

The top bid of the day was 2800 gns for a substitute entry from Enchanted Holsteins of Preston; Tattynuckle Shottle Berry, who won 2nd in the Junior Heifer Class, is by Picston Shottle and bred from six successive generations of cows classified in the two top grades and was sold giving 35 kg. She was purchased by a regular Mid Wales client who also purchased the third joint top selling heifer and daughter of Braedale Goldwyn, Lowerwield Goldwyn Kitty from the Harris family of Alton, Hampshire. Malcolm and Margaret Pearce of Whitmore, Newcastle purchased the second top seller Fowlerbrook Luke Ruby 5th (VG86-2yr) for 2500 gns from Tom Crook of Preston. Also at 2450 gns was Hully Shottle Eclipse 15th from Mark Bowden of Malpas and purchased by Rob Bell of Knutsford.

The Champion made 2300 gns selling to AR Cox and Son for their Steveacre Herd at Marston, Stafford and the top priced cow was the second calver Stokehall Jordan Peggy (VG86-2yr) from Jack and Barclay Taylor of Myddle, Shrewsbury.
