

Sale Report for the White Park herd of Mr C Reeves held at Beeston Castle Auction on Friday 31st July.

BIDS FROM NEW YORK were made from one of 3 telephone bidders to disperse the Lionheart herd of Pedigree White Park cattle, with a good crowd gathered at Beeston from as far afield as Bedfordshire, Leicestershire and Lancashire for this small but very interesting rare breed sale of White Park. The females where all sold empty having not run with a bull and with one unregistered steer, Prices seemed to be very buoyant and topped at £903 for Templeson Beatrix a 4yo cow making its new home at Burscough, Lancashire, next a home breed heifer Lionheart April out of lot 3 Abberley Tiffy who realised £892.50 and went to Earl Shilton, Leicestershire along with 10 others. *Wright Manley would like to thank Mr Cris Reeves for instructing us to conduct his dispersal sale at Beeston Auction.*
